Upon receipt of a request from a public transit authority for approval of a transit vehicle stop zone outside of any incorporated city or town, the department of transportation shall conduct an engineering and traffic investigation in an attempt to find a suitable location at which transit vehicles may stop wholly off the roadway for the purpose of receiving or discharging passengers.

WAC 468-46-020 Secretary of transportation or designee to approve transit vehicle stop zones.

The secretary of transportation may approve transit vehicle stop zones at locations not meeting the above requirements where the secretary deems the circumstances warrant such exceptions.
