**WAC 495B-120-020 Statement of purpose.** (1) Bellingham Technical College is maintained by the state of Washington for the provision of programs of instruction in higher education and related community services. Like any other institution having its own special purposes, the college must maintain conditions conducive to the effective performance of its functions. Consequently, it has special expectations regarding the conduct of the various participants in the college community.

2. Admission to the college carries with it the prescription that the student will conduct himself or herself as a responsible member of the college community. This includes an expectation that the student will obey appropriate laws, will comply with the rules of the college and its departments, and will maintain a high standard of integrity and honesty.

3. Sanctions for violations of college rules or conduct that interfere with the operation of college affairs may be applied by the college, and the college may impose sanctions independently of any action taken by civil or criminal authorities. In the case of minors, misconduct may be referred to parents or legal guardians.

4. The rules and regulations prescribed in this title shall be observed by guests and visitors while on campus, at all college functions and events, and on or within any other college-controlled or college-owned property.

Guests and visitors who willfully refuse to obey college security or other duly designated college authorities to desist from conduct prohibited by such rules and regulations may be ejected from the premises. Refusal to obey such an order may subject the person to arrest under the provisions of the Washington criminal trespass law, in addition to such other sanctions as may be applicable.

WAC 495B-120-130 Disciplinary terms. The definitions set forth in this section apply throughout WAC 495B-120-135 through 495B-120-200.

(1) "Disciplinary warning" means oral notice of violation of college rules.

(2) "Reprimand" means formal action after censuring a student for violation of college rules for failure to satisfy the college's expectations regarding conduct. Reprimands are made in writing to the student by the disciplinary official. A reprimand indicates to the student that continuation or repetition of the specific conduct involved or other misconduct will result in one or more serious disciplinary actions described below.

[Ch. 495B-120 WAC p. 4] (10/17/12)
(3) "Disciplinary probation" means formal action placing conditions upon the student's continued attendance because of violation of college rules or failure to satisfy the college's expectations regarding conduct. The disciplinary official placing the student on probation will specify, in writing, the period of probation and the conditions. Disciplinary probation warns the student that any further misconduct will automatically raise the question of dismissal from the college. Disciplinary probation may be for a specified term or for an indefinite period that may extend to graduation or other termination of the student's enrollment in the college.

(4) "Summary suspension" means temporary dismissal from the college and temporary termination of a student's status for a period of time not to exceed ten days that occurs prior to invocation of the formal hearing procedures specified in these rules due to a necessity to take immediate disciplinary action, where a student presents an imminent danger to the college property, or to himself or herself, or to other students or persons in college facilities on or off campus, or to the educational process of the college.

(5) "Deferred suspension" means notice of suspension from the college with the provision that the student may remain enrolled contingent on meeting a specified condition. Not meeting the contingency shall immediately invoke the suspension for the period of time and under the conditions originally imposed.

(6) "Suspension" means temporary dismissal from the college and temporary termination of student status for violation of college rules or for failure to meet college standards of conduct.

(7) "Expulsion" means dismissal from the college and termination of student status for an indefinite period of time or permanently for violation of college rules or for failure to meet the college standards of conduct.

WAC 495B-120-135 Refunds and access. (1) Refund of fees for the quarter in which disciplinary action is taken shall be in accordance with the college's refund policy.

(2) A student suspended on the basis of conduct that disrupted the orderly operation of the campus or any facility of the college may be denied access to all or any part of the campus or other college facility.

WAC 495B-120-140 Readmission after suspension or expulsion. Any student suspended from the college for disciplinary reasons will normally be readmitted upon expiration of the time period for which the suspension was issued. If the student has been expelled or feels that circumstances warrant reconsideration of a temporary suspension prior to its expiration, or if the student was suspended with conditions imposed for readmission, the student may be readmitted following approval of a written petition submitted to the vice-president of student services. Such petition must state reasons that support a reconsideration of the matter. Before readmission may be granted, such petition must be reviewed and approved by the college president or designee.

WAC 495B-120-150 Reestablishment of academic standing. Students who have been suspended pursuant to disciplinary procedures set forth in WAC 495B-120-120 and 495B-120-130 and whose suspension upon appeal has been overturned pursuant to the appeal procedure set forth in WAC 495B-120-180 shall be provided the opportunity to reestablish their academic and student standing to the extent possible within the abilities of the college, including an opportunity to retake examinations or otherwise complete course offerings missed by reason of such action.

WAC 495B-120-160 Disciplinary authority of the vice-president of student services. (1) The vice-president of student services or a designee is responsible for initiating disciplinary proceedings for infractions of rules. The vice-president of student services may delegate this responsibility to members of his/her staff and/or establish committees or other hearing bodies to advise or act for them in disciplinary matters.

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student involved shall be informed at the initial meeting or hearing of the several sanctions that may be applied for the misconduct.

(3) After considering the evidence in a case and interviewing the student or students involved, the vice-president of student services or a designee may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students;
(b) Dismiss the case after whatever counseling and advice may be appropriate;
(c) Directly impose any of the disciplinary sanctions that are outlined in WAC 495B-120-130, subject to the student's right of appeal pursuant to WAC 495B-120-180. The student shall be notified in writing of the action taken except where the disciplinary warning is given verbally;
(d) Refer the matter to the student disciplinary committee for appropriate action (WAC 495B-120-170). The student shall be notified in writing that the matter has been referred to the committee.

(4) This section shall not be construed as preventing the appropriate official, as set forth in subsection (1) of this section, from summarily suspending a student. In the event of summary suspension, the student will be given oral or written notice of the charges, an explanation of the evidence, and an informal opportunity to present his or her side of the matter. The student may elect, as well, to utilize the appeal procedures pursuant to WAC 495B-120-180.

(10/17/12)
WAC 495B-120-165 Summary suspension. The vice-president of student services or a designee may summarily suspend any student from the college if the vice-president has reason to believe that the student presents a danger either to self or to others on the college campus, threatens campus safety, or severely disrupts the educational process. The summary suspension procedure provides an emergency method of suspension for purposes of investigation, reviewing the impact on the campus community due to serious infractions of student behavior standards, or removing a threat to the safety and well-being of the college community.

(1) Initial summary suspension proceedings. If the vice-president of student services believes it is necessary to exercise the authority to summarily suspend a student, the vice-president shall notify the student of the alleged misconduct and violation(s) of the campus conduct code.

(a) This notification may initially be given orally, but written notification shall be sent by certified and regular mail to the student’s last known address or shall be personally served.

(b) The notice shall be entitled “Notice of Summary Suspension Proceedings” and shall state:

(i) The charges against the student, including the reference to the law and/or code of conduct;

(ii) The specified date, time, and location that the student must appear before the vice-president for a hearing, which shall be held as soon as practical after the summary suspension;

(iii) A warning that the student shall be considered trespassing and that the police will be called if the student enters the college campus other than to meet with the vice-president of student services or to attend the disciplinary hearing described in subsection (2) of this section.

(2) Emergency procedure. The summary suspension procedure shall not prevent faculty members or college officials from taking reasonable summary action to maintain order if they have reason to believe that such action is necessary for the physical safety and well-being of the student or the safety and protection of other students or of college property or where the student’s conduct seriously disrupts the educational process. The faculty member or college official should immediately bring the matter to the attention of the vice-president of student services for appropriate disciplinary action.

(3) Procedures of summary suspension hearing.

(a) The summary suspension hearing shall be considered an informal hearing. The hearing must be conducted as soon as possible and the vice-president of student services will preside over the meeting.

(b) The vice-president of student services shall, at a summary suspension proceeding, determine whether there is probable cause to believe that continued suspension is necessary and/or whether some other disciplinary action is appropriate.

(4) Decision by the vice-president of student services. The vice-president of student services may continue to enforce the suspension of the student from the college and may impose any other disciplinary action that is appropriate if the vice-president finds probable cause to believe that:

(a) The student against whom specific violations are alleged has actually committed one or more such violations; and

(b) Summary suspension of the student is necessary for the safety of the student, other students or persons on college facilities, the educational process of the institution, or to restore order to the campus; and

(c) The violation or violations constitute grounds for disciplinary action.

The vice-president of student services is authorized to enforce the suspension in the event the student has been served according to the notice requirement and fails to appear at the time designated for the summary suspension proceeding.

[Statutory Authority: RCW 28B.50.130. WSR 11-04-016, § 495B-120-165, filed 1/21/11, effective 2/21/11.]

WAC 495B-120-170 Student disciplinary committee.

(2) None of the above-named persons shall sit on any case in which he or she is a complainant or witness, in which he or she has a direct or personal interest, or in which he or she has acted previously in an advisory or official capacity. Decisions in this regard, including the selection of alternates, shall be made by the college president or a designee. The disciplinary committee chairperson will be elected by the members of the disciplinary committee.

(3) After conducting its investigation, the disciplinary committee will recommend to the proper authority that the student in question:

(a) Be given a disciplinary warning; or

WAC 495B-120-180 Discipline appeal procedure.

Any disciplinary action taken resulting from the student disciplinary committee’s recommendations as described in WAC 495B-120-170 may be appealed following the process outlined below.

(1) The student may file an appeal using the appropriate forms. (An appointment must be made with the vice-presi-
dent of student services or designee to obtain the necessary form and information.)

(2) Appeals must be filed with the vice-president of student services or a designee.

(3) Appeals must be filed within ten calendar days of the college giving notice of the disciplinary action. The date of notification shall be deemed to be the date the notice is mailed by the college to the student.

(4) The vice-president of student services or a designee will monitor the appeal process.

(5) The student will receive acknowledgment of the filing of a formal appeal. The student may withdraw the appeal at any point during the formal procedure. The vice-president of student services or a designee will notify all parties involved.

(6) An appeal committee will be appointed annually by the college president and will consist of five individuals representing the various college constituencies. The committee will be made up of one administrator, two faculty members, and two support staff members. The complainant may request student representation on the committee. If requested, the president may select two students to substitute for a like number of existing members of the committee. Members of the committee will remove themselves from the process if they deem themselves biased or personally interested in the outcome of the appeal.

(7) The committee will review the appeal and all other documentation related to the incident and the resulting discipline. They may request further investigation if facts warrant the need to do so. The vice-president of student services or a designee will serve as the investigating officer.

(8) If an investigation is ordered, the investigating officer will:
   (a) Meet with the student and the staff member(s) who initiated the discipline;
   (b) Examine documentation and interview witnesses;
   (c) Consult with the appropriate vice-president or equivalent unit head and/or other appropriate administrator; and
   (d) Prepare a written investigative report.

(9) After a full review, the committee's decision will be limited to one of the following statements:
   (a) "Based on the evidence presented to us, we find probable cause for believing that an improper or unfair disciplinary decision or act has been committed"; or
   (b) "Based on the evidence presented, we find no probable cause for believing that an improper or unfair disciplinary decision or act has been committed."

The committee will make its report in writing to the vice-president of student services or a designee. The deliberations of the committee will not be disclosed to anyone except the vice-president of student services or a designee who will hold them confidential.

(10) If no probable cause is found, the matter will be considered concluded. However, the student may submit a written appeal to the president within ten calendar days from the date the decision is made. The appeal must specify in detail what findings, recommendations, or other aspects of the decision were not acceptable. The appeal should also include what corrective action the student desires after consideration of the appeal by the president. The president may uphold the decision of the committee, and at that point no further appeals within the college will be considered. Or, the president may instruct the committee to go forward with an appeal hearing.

(11) If probable cause is found, a hearing will be held.
   (a) The committee will select a chair. The chair of the committee will establish a date for the hearing. A notice establishing the date, time, and place of the hearing will be provided to all involved parties.
   (b) The hearing will be held within thirty calendar days from the time of the hearing notice. The date of notification shall be deemed to be the date the notice is mailed by the college to the student.
   (c) The student will have the privilege to challenge one member of the committee without cause (stated reason). Unlimited challenges may be issued if it is felt that a member of the committee is biased. In the case of a challenge for bias, a majority of the committee members must be satisfied that a challenged member cannot hear the case impartially before the member can be disqualified. In the case of removal of a member through the challenge process, the president will restore the committee to full membership.
   (d) The hearing will be conducted as expeditiously as possible and on successive days, if possible.
   (e) The student and any others the committee deems necessary to the proceedings will make themselves available to appear at the proceeding unless the individual can verify to the committee that their absence is unavoidable.
   (f) The student will be permitted to have with him/her a party of his/her own choosing to act as advisor and counsel. The hearing may be monitored by the assistant attorney general assigned to the college.
   (g) The hearing will be closed to all except those persons directly involved in the case as determined by the committee.

Statements, testimony, and all other evidence given at the hearing will be confidential and will not be released to anyone and may be used by the committee only for the purpose of making its findings and recommendations to the president.

(h) The chair of the committee will convene and regulate the proceeding. The student, identified staff, and the members of the hearing panel must be present during the proceeding unless excused by the chair for good cause. Repeated failure, without reasonable explanation, of either the student or identified staff to appear will be grounds for defaulting that party's case. The student will have the burden of presenting the case and staff will have the burden of challenging the evidence presented.

(i) All parties will have the opportunity to present evidence, respond to evidence presented, and examine and cross examine witnesses.

(ii) The hearing committee will be empowered to examine witnesses and receive evidence; exclude any person(s) felt to be unreasonably disruptive of the proceedings; hold conferences for the settlement of the issues involved; make decisions or proposals for decisions; and take any other actions authorized by the rule consistent with this procedure.

(iii) No individual will be compelled to divulge information in any form that he/she could not be compelled to divulge in or in connection with court proceedings.

(iv) Any legal opinion or interpretation given to the committee by the parties may be shared with all parties to the case.

(10/17/12)
(j) The committee will file its findings and recommendations with the president, the vice-president of student services, the student, and involved staff after the conclusion of the hearing. If the findings and recommendations of the committee are acceptable to the student, the president may direct implementation of the recommendations.

(12) If the student objects to the findings and recommendations and wishes to appeal, a written appeal may be submitted to the president within ten calendar days from the date the finding is issued. The appeal must specify in detail the findings, recommendations, or other aspects of the report or decision that are not acceptable. The appeal should also include what corrective action the student desires after consideration of the appeal by the president.

(13) After considering an appeal, the president will issue a written decision to the parties involved. The decision of the president will be final and no further appeals within the college will be considered.
