WAC 137-30-040 County jail earned release time.

For offenders transferred from a county jail to the department, the jail administrator will certify to the department the amount of jail time spent in custody at the jail and the amount of ERT.

(1) If no certification has been provided, the CRS/designee will send a request to the jail administrator requesting he/she provide a jail certification.

(a) If the jail administrator certifies jail time credits to consecutive sentences for the same time period and the judgment and sentence does not address jail time credits, the CRS will correct the jail certification by deducting any duplicate jail time credits and jail earned release time credits from the jail certification totals and applying the remaining credits.

(b) In the case of a department sanction, if the jail administrator certifies jail credits to a consecutive sentence that includes credits for time served on the department sanction and the judgment and sentence does not address jail time credits, the CRS will deduct the sanction days served from the jail credits and the jail earned release time for sanction time served and apply the remaining credits to the consecutive sentence.

(c) The CRS will send a request to the jail administrator requesting an amended jail certification, unless the jail administrator has requested that the department not send a letter. The CRS does not need to wait for the amended jail certification to apply the proper credits.

(2) The CRS will send the offender DOC Policy 09-261 Court of Appeals Decision - Jail Time Credits, informing him/her of the department's authority to correct the jail certification when there is a manifest error of law in the jail's certification.

(3) If the court orders jail time credits for the same time period on consecutive sentences with the same intake date to prison, the judgment and sentence must be followed and the jail time credits will be applied accordingly. The department may contest the court's calculations by way of the post sentence petition process.

(4) If the court orders jail time credits for the same time period on consecutive sentences with different intake dates to prison, the CRS will apply the credits from the judgment and sentence and then apply wickert time (i.e., out time applied to a period of confinement when the offender is required to serve a consecutive period of confinement starting before the current confinement is complete) for that same time period.

(5) Credit for time served/resentenced on previous conviction. Offenders who are resentenced on a previous conviction are entitled to receive credit for the original jail time, original jail earned release time, department time served, and ERT on the department time served. All time the offender served for the conviction offense, as well as the ERT at the appropriate percentage, will be applied. Any good conduct time lost due to infractions, or earned time not earned during

the time served on the original sentence, must be deducted from the department ERT.

[Statutory Authority: RCW 72.09.130, 72.01.090, and 9.95.070. WSR 11-11-018, § 137-30-040, filed 5/9/11, effective 6/9/11.]

WAC 137-30-050 Persistent prison misbehavior. (1)

An offender serving a sentence for an offense committed after July 31, 1995, may have his/her earned time credits taken away as part of a disciplinary sanction, when he/she has lost all good conduct time credits for the current commitment.

(2) Offenders serving a sentence for an offense committed after July 31, 1995, who have a record of being a persistent management/disciplinary problem may also have earned time credits taken away.

(3) Earned or future ERT credits may be reduced for offenders serving a sentence for an offense committed after July 31, 1995.

[Statutory Authority: RCW 72.09.130, 72.01.090, and 9.95.070. WSR 11-11-018, § 137-30-050, filed 5/9/11, effective 6/9/11.]

WAC 137-30-060 Release date. (1) To calculate an offender's release date on a determinate sentence, the jail time and jail earned release time are deducted from the total sentence. The earned release time applicable per statute is applied to the adjusted sentence.

(2) A determinate offender held beyond his/her earned release date (ERD) may have available ERT taken if found guilty of a serious infraction as defined in WAC 137-25-030.

(3) An offender with an established release date who receives a category A infraction after a community release plan has been approved will have the release date suspended until adjudication of the infraction and all time loss and sanctions are completed.

(4) The staff responsible for entering the sanction information will notify the CRS or designee immediately by telephone and via e-mail if the release date changes, when the offender is denied earned time or loses good conduct time or when time is restored and the ERD is in less than one hundred twenty days.

[Statutory Authority: RCW 72.09.130, 72.01.090, and 9.95.070. WSR 11-11-018, § 137-30-060, filed 5/9/11, effective 6/9/11.]

WAC 137-30-070 Restoration of good conduct time.

(1) For indeterminate sentences, once the good conduct time denial is addressed or adopted by the ISRB, it cannot be returned to the offender without prior approval of the ISRB.

(2) At a regularly scheduled review, offenders may request restoration of good conduct time from the superintendent/CCS where the offender is housed.

(3) When the decision is made by the superintendent/CCS where the offender is housed, that decision is final and the offender may not request subsequent reviews for the same infractions.

(4) The unit team may recommend approval provided:

(a) The good conduct time has not been adopted by the ISRB, if the case requires an ISRB hearing for release;

(b) The offender has been free of serious infractions violations for at least one year from the date of the last serious infraction;

(11/18/15)

(c) The offender is not within six months of his/her ERD and the restoration will not put the offender less than one hundred twenty days to release;

(d) During the current incarceration, for the period of ten years prior to the request for restoration the offender has not committed a category A infraction;

(e) During the current incarceration, for the period of five years prior to the request for restoration, the offender has not committed a category A infraction 601 or 602;

(f) During the current incarceration, for the period of three years prior to the request for restoration, the offender has not committed a category A infraction 507, 603, 650, or 651.

(5) Review:

(a) The director or the deputy director may review and restore good conduct time for category A violations. This decision cannot be delegated below the deputy director level.

(b) The superintendent/CCS may review and restore good conduct time for category B and C violations.

(6) Good conduct time lost as the result of infraction 557, 810, 813 (related to employment or programming while in work release) or 857 will not be restored.

(7) When making the decision whether to restore good conduct time, the director/deputy director, or the superintendent/CCS will consider:

(a) Length of positive program participation;

(b) Period of infraction free behavior;

(c) Nature of infractions;

(d) Overall behavior during the commitment period; and

(e) Unit team recommendation.

[Statutory Authority: RCW 72.09.130, 72.01.090, and 9.95.070. WSR 11-11-018, § 137-30-070, filed 5/9/11, effective 6/9/11.]

WAC 137-30-080 Community custody. (1) Offenders with orders of community custody per RCW 9.94A.701 may have their sentences reduced by ERT.

(2) Community custody returns/terminates: During community custody, if an offender has not completed his/her maximum term of total confinement and is subject to a third violation hearing for any violation of community custody and is found to have committed the violation, the department may return the offender to total confinement to serve the remainder of the prison term.

(a) This applies solely to offenders who were not held to their maximum expiration date prior to release to community custody.

(b) All jail ERT and DOC ERT applied to the sentence before early release becomes return time.

(c) When determining the length of return time, the department must credit the offender with all community custody time successfully served and with all periods of prehearing time spent in confinement pending all prior and current community custody violation hearings for that cause.

(d) The date the offender was placed in jail on the most recent violation will be the return start date.

(e) The offender is not entitled to any ERT during the return time.

(f) Upon release from total confinement, after serving the return time the offender will resume serving the community custody portion of the sentence for any time remaining on community custody.
