C1pc <small>(2/16)</small>	POLITICAL COMMITTEE REGISTRATION
--------------------------------------	---

Who Must File – Persons, committees, organizations or groups that receive contributions or make expenditures in support of or opposition to: candidates in jurisdictions of 5,000 or more registered voters as of the last general election; statewide ballot issues; or local ballot issues in jurisdictions with 1,000 or more registered voters as of the last general election.

When To File – Within 2 weeks of organizing a committee or first expecting to receive contributions or make expenditures, whichever occurs first. **(Committees that organize within three weeks of an election must file within three business days of forming or of expecting to receive contributions or make expenditures.)**

Amend the C-1pc form within 10 calendar days of any material change to the registration information furnished previously. See “Sponsor” section below for further instructions.* For single election-year only committees, a material change includes providing or modifying the list of candidates the committee is supporting or opposing.

Continuing political committees using Mini Reporting are required to file a C-1pc annually each January. Reports are considered filed as of the postmark date or date hand-delivered to PDC.

File the initial C-1pc and any necessary amendments with the PDC. Keep copies with of the committee’s records.

Committee Name – Do not use the exact name of another active political committee – no two active committees may have the same name. Do not abbreviate or use acronyms in the committee name.

“Sponsor” of a Political Committee – Sponsor of a political committee includes any person, except a committee authorized by a candidate or by a public official against whom recall charges have been filed to whom any of the following applies:

- the committee receives 80% or more of its contributions either from the person or from the person’s members, officers, employees, or shareholders;
- the person collects contributions for the committee by use of payroll deductions or dues from its members, officers, or employees.

“Person” is defined in RCW 42.17A.005(36).

* A political committee shall include a known sponsor in its name when filing the initial C-1pc. In accordance with WAC 390-16-011A(6), the political committee must amend its registration 60 days before an election in which it participates if the political committee has a different sponsor at that time. See WAC 390-16-011A(6)(a) and (b) for information on calculating the 80% threshold for this amendment. Interim amendments are not required to show changes to a sponsor’s status.

“Officer” of a Political Committee – Officer of a political committee includes the following persons:

- any person designated as an officer on the C-1pc registration statement, and
- any person who alone or in conjunction with other persons makes, directs, or authorizes contribution, expenditure, strategic or policy decisions on behalf of the committee. [WAC 390-05-245]

Persons who perform “Ministerial Functions” for two or more campaigns – A person may perform ministerial functions for a candidate and a political committee without jeopardizing that political committee’s eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:

- the person performs solely ministerial functions for both the candidate and the political committee;
- the person is identified on both the candidate’s and political committee’s registration statements as a person performing ministerial functions for the campaign; and
- the person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign. [See RCW 42.17A.005 (13)(b)(ix) and WAC 390-05-243 for more detailed information.]

“Ministerial functions” means activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. RCW 42.17A.005(33). Also see WAC 390-05-243 for a non-exclusive list of ministerial functions and a definition of administrative office. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefiting the candidate may be a contribution, rather than an independent expenditure or electioneering communication. [RCW 42.17A.005(33) and WACs 390-05-243 and 390-05-210]

SEE INSTRUCTIONS ON NEXT PAGE

Please consult PDC instruction manuals when completing this report. Reporting requirements are contained in and governed by RCW 42.17A and WAC 390.

Who Must File – Candidates who seek:

- state office (legislative or statewide executive),
- a state supreme court or state court of appeals position,
- local office in jurisdictions having 5,000 or more registered voters as of the last general election or in jurisdictions covering an entire county,
- local office in jurisdictions of any size if the candidate receives or expects to receive \$5,000 or more in contributions.

When To File – Within 2 weeks of becoming a candidate. A person becomes a candidate for PDC purposes when he or she **first** does any of the following:

- receives contributions, makes expenditures, or reserves space or facilities with intent to promote his or her candidacy;
- purchases commercial advertising space or broadcast time to promote his or her candidacy;
- authorizes another person to take one of these above actions on his or her behalf;
- announces publicly that he or she is seeking office; or
- files a declaration of candidacy with the appropriate elections official.

File an amended registration within 10 days of a material change to information provided on previously filed C-1. Reports are considered filed as of the postmark date or date hand-delivered to PDC.

Where To File – Send the **original to PDC** at the address on the reverse side. Candidates for city offices are advised to contact their City Clerk to learn if local filing is required by local ordinance. Keep a copy for the campaign’s records.

“Officer” of a Candidate’s Committee – Officer of a candidate’s committee includes the following persons:

- any person designated as an officer on the C-1 registration statement, and
- any person who alone or in conjunction with other persons makes, directs, or authorizes contribution, expenditure, strategic or policy decisions on behalf of the committee. [WAC 390-05-245]

Persons who perform “Ministerial Functions” for two or more campaigns

A person may perform ministerial functions for a candidate and a political committee without jeopardizing that political committee’s eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:

- the person performs solely ministerial functions for both the candidate and the political committee;
- the person is identified on both the candidate’s and political committee’s registration statements as a person performing ministerial functions for the campaign; and
- the person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign. [See RCW 42.17A.005 (13)(b)(ix) and WAC 390-05-243 for more detailed information.]

“Ministerial functions” means activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. RCW 42.17A.005(33). Also see WAC 390-05-243 for a non-exclusive list of ministerial functions and a definition of administrative office. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefiting the candidate may be a contribution, rather than an independent expenditure or electioneering communication. [RCW 42.17A.005(33) and WACs 390-05-243 and 390-05-210]

CONTRIBUTIONS OF MORE THAN \$100

When an individual gives the campaign more than \$100 in the aggregate, that person’s employer must be identified by name, city, state and the person’s occupation must also be disclosed. Once an individual gives more than \$100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives more than \$100 in the aggregate from the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives more than \$100 in the aggregate from the beginning of the calendar year, show occupation and employer.

PRIMARY/GENERAL ELECTION

Candidates subject to contribution limits must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a “X” in the PRI box; if it counts toward the contributor’s general election limit, put an “X” in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks – one each for the primary and general donations. See instruction manual for example.

Candidates not subject to limits, political committees and continuing political committees – primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Candidates subject to contribution limits: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person’s primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor’s general election total. (Only your campaign records and PDC’s computer records will keep track of the grand total for both elections.)

Candidates not subject to limits: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

INSTRUCTIONS

Item No./Description: As each item to be auctioned is received, assign it a number and a brief description.

Contributor: The person or organization that donates an item or service to be auctioned. If the campaign purchases items for auction, state "purchased by committee" under contributor's name. If auction is held by candidate subject to contribution limits, designate which election (PRI or GEN) contribution is for. Contribution amount is fair market value of item or service and is subject to any applicable contribution limit. Adjust fair market value amount if sold for less than initial fair market value. See No. 2 below.

Buyer: The person who buys the item or service being auctioned. If auction is held by candidate subject to contribution limits, designate which election (PRI or GEN) buyer is giving to when purchase price exceeds fair market value amount.

Fair Market Value: The retail value of the article. Adjust if amount paid is less than fair market value. See No. 2 below.

Sale Price: The amount the buyer paid for the item or service.

Amount Over Fair Market Value: The amount the sale price exceeds fair market value. If sale price is less than or equal to the fair market value, leave blank. The amount paid in excess of fair market value is a contribution from the buyer and is subject to any applicable contribution limit.

Aggregate Total:

Contributor: Fair market value of the donation plus all previous contributions made during campaign (for candidates subject to contribution limits, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

Buyer: Amount over fair market value plus all previous contributions made during campaign (for candidates subject to contribution limits, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

If Cash is Received: RCW 42.17A.475 says that a political committee must make all of its monetary contributions by check (or other written instrument). However, individuals, businesses, unions and other entities may use currency to make small contributions. The maximum amount of a currency contribution is periodically adjusted by PDC. See WAC 390-05-400 or contact PDC. If the campaign receives cash contributions, each of which does not exceed the maximum, but is more than \$50, prepare a receipt – signed by the donor and either the candidate, treasurer or deputy treasurer – and keep it as part of the campaign records.

The purpose of this report is to highlight receipt of an earmarked contribution. (That is, a contribution given to one candidate or political committee with the understanding, intent or instruction that it be used to benefit another candidate or committee.) This report is filed in addition to any other required reporting of the transaction.

A separate "Special Report E" is filed for each earmarked contribution received by any candidate or political committee.

File this report within two working days of receiving the earmarked contribution. Mail or deliver the original to PDC. Send a copy to the benefiting candidate or committee, also within two working days.

NOTE: Candidates for legislative and statewide executive office are subject to state contribution limits. Earmarked contributions count toward the applicable limit and are attributed to the original source of the contribution (unless another person controlled the choice of recipient). It's a violation for anyone to accept a contribution in excess of the relevant limit. Verify with the campaign of a legislative or statewide office candidate before accepting a contribution earmarked for the benefit of such a candidate.

WAC 390-16-049 Out-of-state political committees—Implementation of RCW 42.17A.250.

(1) RCW 42.17A.250 governs campaign reporting in Washington state by committees located outside of Washington. The statute directs that an out-of-state political committee organized for the purpose of supporting or opposing candidates or ballot propositions in another state (and that is not otherwise required to report as an in-state committee) reports the information listed in RCW 42.17A.250 on a C5 form (WAC 390-16-050). The committee begins reporting on a C5 form when it makes an expenditure supporting or opposing a Washington state candidate or political committee.

(2) To file as an out-of-state political committee, all the criteria in (a) and (b) of this subsection must be satisfied:

(a) **Out-of-state.** First, the committee must be located out-of-state. It must be maintaining its office or headquarters in another U.S. state or the District of Columbia, and has no office, street address or corporate registered agent in Washington state. If there is no office or headquarters in another state or the District of Columbia, and no corporate registered agent in Washington state, the political committee is deemed out-of-state if its treasurer resides in another U.S. state or the District of Columbia.

(b) **Organizational purpose and campaign activities.** Second, the committee must also be currently organized primarily for engaging in campaign activities in another state. Therefore, to qualify as a current out-of-state committee, the committee must also:

(i) Be currently registered and actively filing campaign disclosure reports in one or more other states and has been so filing for the preceding two years; and

(ii) Have organizational documents showing it was originally formed and is currently organized for the purpose of making expenditures in another state or soliciting contributions for use in another state's election campaigns; and

(iii) Have spent less than twenty percent of its aggregate expenditures for all political campaign activity nationwide at any point in any calendar year to support and/or oppose Washington candidates for state, local and judicial office, Washington ballot measures and/or Washington political committees.

(3) A committee that does not satisfy the criteria in subsection (2) of this section shall file as an in-state committee under chapter 42.17A RCW, including RCW 42.17A.205 through 42.17A.240.

(4) Out-of-state political committees reporting under RCW 42.17A.250 are also subject to reporting pursuant to RCW 42.17A.260 (political advertising independent expenditures) and RCW 42.17A.305 through 42.17A.315 (electioneering communications).

WAC 390-16-050 Forms for contributions and expenditures of out-of-state political committees. The official form for the report required by RCW 42.17A.250 of contributions and expenditures of an out-of-state political committee organized for the purpose of supporting or opposing candidates or ballot propositions in another state that is not otherwise required to report under RCW 42.17A.205 through 42.17A.240 is designated "C-5," revised 2/16. Copies of this form are available on the commission's web site, www.pdc.wa.gov, and at the Commission Office, Room 206, Evergreen Plaza Building, Olympia, Washington 98504-0908. WAC 390-16-063 Additional information regarding independent expenditures and C-6 report filing. (1) RCW 42.17A.255 requires a person not otherwise subject to the disclosure requirements of Chapter 42.17A RCW to disclose an independent expenditure of one hundred dollars or more that supports or opposes a candidate or ballot measure. RCW 42.17A.260 requires the disclosure of political advertising with a fair market value of one thousand dollars or more that is presented to the public within twenty-one days of an election, that supports or opposes a candidate or ballot measure, and that qualifies as an independent expenditure.

(a) **Prorating and attributing independent expenditures that support or oppose multiple candidates or ballot measures.** Whether to disclose an independent expenditure that supports or opposes multiple candidates or ballot measures is determined by prorating and attributing the cost of the expenditure among all candidates or ballot measures that are the subject of the expenditure. Disclosure is required when:

(i) The pro rata cost for a single candidate or ballot measure reaches or exceeds the statutory threshold and none of the subject candidates are seeking election to the same office and none of the subject ballot measures are competing measures; or

(ii) The sum of the pro rata costs attributable to all candidates seeking election to the same office or the sum of the pro rata costs attributable to competing ballot measures reaches or exceeds the statutory threshold.

Example 1 (prorating): A mailer/postcard supports one candidate and one ballot measure at a total cost of \$3,200. One side of the postcard is entirely devoted to the ballot measure. The other side is split evenly between the candidate and the ballot measure. The ballot measure's pro rata share is \$2,400 (75%) and the candidate's pro rata share is \$800 (25%).

Example 2 (prorating and attributing): An independent expenditure ad appears in the newspaper two weeks before the election. The ad costs \$1,000; 50% of the ad supports a candidate and the other 50% opposes the candidate's opponent. The independent expenditure is disclosed under RCW 42.17A.260 because the sum of the pro rata share for the two candidates who seek the same office is \$1,000.

(b) **Disclosing independent expenditures that support or oppose multiple candidates or ballot measures.** When a pro rata, attributable cost reaches or exceeds the statutory threshold, the entire independent expenditure must be disclosed. Include the amounts attributable to all candidates and ballot propositions supported or opposed by the expenditure.

(c) **Other applications of prorating and attributing independent expenditures.** Use the prorating and attribution steps explained in (a)(i) and (ii) of this section to determine when an independent expenditure as defined in RCW 42.17A.005(26) must comply with the "no candidate authorized this ad" sponsor identification and, if applicable, the "top 5" contributors required by RCW 42.17A.320(2) and WAC 390-18-010.

(2) A political committee reporting pursuant to RCW 42.17A.225, 42.17A.235 and 42.17A.240 is exempt from providing on a C-6 form itemized information concerning its sources of funds giving in excess of two hundred fifty dollars for an electioneering communication, unless the committee

received funds that were requested or designated for the communication.

(3) An out-of-state political committee shall report pursuant to RCW 42.17A.305 if it sponsors an electioneering communication defined in RCW 42.17A.005.

(4) The sponsor of an electioneering communication shall report pursuant to RCW 42.17A.305 and commission rules regarding electioneering communications, even if the expenditure also satisfies the definition of independent expenditure in RCW 42.17A.005 or 42.17A.255. Persons in compliance with this subsection are deemed in compliance with RCW 42.17A.255 or 42.17A.260.

(5) Any person making an expenditure that is reportable under RCW 42.17A.640, grass roots lobbying campaigns, that also satisfies the definition of electioneering communication in RCW 42.17A.005 shall file pursuant to RCW 42.17A.305 and commission rules regarding electioneering communications.

A complete application shall include all of the following documents:

(iii) If the applicant is the treasurer of a county or legislative district party committee, a statement affirming that the treasurer of that party committee's counterpart in any other major political party has been notified personally in writing of the application, and the manner and date of such notification.

(2) An application that is submitted without the required documents described in subsection (1) of this section is incomplete and will not be processed or approved. If the applicant provides the missing documents, the application will be determined to be complete on the date the documents are received by the commission.

(3) If a complete application is received by the commission on or before thirty business days prior to the date of an election other than the general election, the executive director will approve the application. An application to change reporting options before the general election must be received by the commission on or before August 31.

(4) If a complete application is received by the commission on or after the deadlines set out in subsection (3) of this section, the executive director will approve the application only if one or more of the following factors are present:

(a) The applicant's campaign had its respective C-1 or C-1pc on file with the commission when notice of the upcoming application deadline to change reporting options was sent and the commission staff did not send to the applicant's campaign in a timely and proper manner, either electronically or by other mail delivery service, a notice that the deadline for unrestricted changes in reporting options is approaching. To be timely and proper, this notice must be sent at least two weeks before the application deadline to the campaign's electronic mail address or postal service mailing address specified on the registration statement;

(b) The applicant is a candidate and, after the application deadline, a write-in opponent has filed for office in accordance with chapter 29A.24 RCW;

(d) When a candidate or political committee on one side of an election campaign or proposition has been approved to change reporting options under this section, each opponent of that candidate or political committee is approved to change options as of the date that opponent's complete application is received by the commission.

(5) Exceeding the aggregate contributions or aggregate expenditures specified in WAC 390-16-105 without complying with the provisions of this section constitutes one or more violations of chapter 42.17A RCW or 390-17 WAC.

(6) The executive director may approve an application to change reporting options after the aggregate contributions or aggregate expenditures specified in WAC 390-16-105 have been exceeded only if the applicant (a) meets the deadlines provided in subsection (3) of this section; and (b) acknowledges the violation and demonstrates compliance with WAC 390-16-105(4). (1) Any person making a measurable expenditure of funds to communicate a rating, evaluation, endorsement or recommendation for or against a candidate or ballot proposition shall report such expenditure including all costs of preparation and distribution in accordance with chapter 42.17A RCW. WAC 390-16-207 In-kind contributions—Explanation and reporting. (1) An in-kind contribution occurs when a person provides goods, services or anything of value, other than money or its equivalent, to a candidate or political committee free-of-charge or for less than fair market value, unless the item or service given is not a contribution according to RCW 42.17A.005 or WAC 390-17-405.

(2) An in-kind contribution also occurs when a person makes an expenditure that:

- Supports or opposes a candidate or a ballot measure;
- Meets the definition of contribution in RCW 42.17A.005 or WAC 390-05-210; and
- Is other than a monetary contribution made directly to a candidate or political committee.

For example, an in-kind contribution occurs when a person, after collaborating with a candidate or a candidate's agent, purchases space in a newspaper for political advertising supporting that candidate or opposing that candidate's opponent.

(3) An in-kind contribution also occurs when a person makes an electioneering communication that is a contribution as provided in RCW 42.17A.310.

(4) According to RCW 42.17A.430 and WAC 390-16-238, a candidate may not use his or her campaign funds to make a contribution, including an in-kind contribution, to another candidate or a political committee. However, under RCW 42.17A.430, a candidate may use surplus funds as defined in RCW 42.17A.005 to make a contribution to a political party or caucus political committee.

(5) In-kind contributions to recipients who have limits under RCW 42.17A.405 or 42.17A.410.

(a) If a candidate receives in-kind contributions from any person valued at more than \$25 in the aggregate for an election, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405 or 42.17A.410.

(b) If a bona fide political party or legislative caucus committee receives in-kind contributions from any person valued at more than \$25 in the aggregate during a calendar year, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405.

(c) If an elected official against whom recall charges have been filed or a political committee supporting the recall of an elected official receives in-kind contributions from any person valued at more than \$25 in the aggregate during a recall campaign, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limits provided in RCW 42.17A.405 or 42.17A.410.

(6) Political committees that make in-kind contributions. Except as provided for in subsection (5) of this section, a political committee that makes in-kind contributions to a candidate or political committee totaling more than \$50 in the aggregate during a reporting period must identify the recipient and the amount of the contribution as part of its C-4 report covering that period.

If the in-kind contribution is in the form of an expenditure that has been obligated, but not yet paid, the identity of the recipient candidate or political committee, along with a good faith estimate of the value of the contribution, must be disclosed in part 3 of Schedule B, in addition to the other information required by the form. When the expense is paid, the recipient's name and the amount of the contribution must be disclosed on Schedule A, along with the other information required by the form.

If a political committee provides equipment, property or anything else of value owned, leased or controlled by it to a candidate or political committee, the contributing committee must attach a statement to its C-4 report showing the name of the candidate or political committee to whom the contribution was made and the date, description and fair market value of the in-kind contribution.

(7) Reporting by recipients. Except as provided in subsection (5) of this section, in-kind contributions from one source are not reportable by the recipient candidate or political committee until the aggregate value of all in-kind contributions received from that source during a reporting period is more than \$50. If this threshold is met, the in-kind contributions must be reported in part 1 of Schedule B to the C-4 report covering that reporting period.

(8) Valuing in-kind contributions.

(a) For purposes of determining the value of goods or services provided as in-kind contributions, refer to WAC 390-05-235, Definition—Fair market value.

(b) If an expenditure that constitutes an in-kind contribution is made, the value of the in-kind contribution to a particular candidate or political committee is the portion of the expense that benefits the candidate or political committee.

(9) Application of RCW 42.17A.420—Last-minute contributions.

(a) If an expenditure that constitutes an in-kind contribution is made no later than twenty-two days before a general election and written notice of the in-kind contribution is in the possession of the recipient candidate committee or political committee twenty-two or more days before that general election, the contribution is not subject to the respective

\$5,000 or \$50,000 maximum amounts specified in RCW 42.17A.420.

(b) If an in-kind contribution is in the form of personal services donated to a campaign for the duration of the twenty-one days before a general election, and if written notice of the value of this donation is in the possession of the recipient candidate or political committee twenty-two or more days before the election, that in-kind contribution is not subject to the respective \$5,000 or \$50,000 maximum amounts specified in RCW 42.17A.420.

WAC 390-16-221 Tangible property—Definition. (1)

All contributions received by a political committee or candidate are subject to the requirements of RCW 42.17A.430 and 42.17A.445 whether or not the committee converts the contribution to a different form, e.g., the purchase of tangible property from monetary contributions.

(2) For the purpose of this rule, tangible property includes but is not limited to real property and improvements thereto; furniture, office desks, file cabinets, tables and machines, vehicles, printing and duplicating equipment, and computer hardware and software.

WAC 390-16-226 Loans. (1) Only loans which are

recorded in a written loan agreement executed at the time of the loan and properly reported may be repaid by a candidate or political committee. Surplus campaign funds under RCW 42.17A.005 and 42.17A.430 may only be used to return a contribution to the candidate if the contribution was properly reported as a loan from the candidate, as described in subsections (2) and (3).

(2) If any person gives or loans the candidate funds in connection with his or her campaign, the funds are not considered personal funds of the candidate. See WAC 390-17-305. Such funds are considered a contribution from the original source of the contribution under chapter 42.17A RCW and, unless the loan meets the exemption provided in RCW 42.17A.465(3) and this subsection, the contribution is subject to the contribution limits provided in chapter 42.17A RCW.

(a) If a candidate or candidate's own political committee or campaign or authorized committee receives a loan from a commercial lending institution, the loan is exempt from the contribution limits of RCW 42.17A.405 and WAC 390-16-310 only if all the following criteria are met:

(i) The loan is not guaranteed by any other person;

(ii) The loan is made in the regular course of business; and,

(iii) The loan is made on the same terms ordinarily available to the public.

(b) A commercial loan to a candidate's own committee or campaign or authorized committee is presumed to be guaranteed by the candidate. The presumption is rebuttable by clear, cogent and convincing evidence.

(3) The amount of campaign contributions which may be used to repay a loan made by the candidate to the candidate's own political committee or campaign, or to repay a commercial loan to a candidate's own political committee or campaign where the candidate is the borrower or guarantor, is limited to the loan repayment limit in RCW 42.17A.445(3) as adjusted by WAC 390-05-400. For purposes of the loan repayment limit, these loans are aggregated for each primary, general, special or recall election and must be designated accordingly by the candidate at the time the loan is made.

(4) If a candidate makes documented out-of-pocket campaign expenditures on behalf of his or her campaign expecting repayment (not intending to make an in-kind contribution), the campaign committee must repay the candidate within 21 days of the expenditure or the candidate will be deemed to have made a loan to his or her campaign committee which must qualify for repayment under subsections (1) and (2) in order for the candidate to be repaid. Undocumented out-of-pocket campaign expenditures by the candidate are in-kind contributions not eligible for repayment.

WAC 390-16-230 Surplus campaign funds—Use in future. (1) If at any time in the future or after the last day of the election cycle for candidates as defined in RCW 42.17A.005(7) any contribution is received or an expenditure is made from surplus funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or political committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at his or her last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or political committee shall file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240 and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." All augmentations to and all expenditures made from the retained surplus funds after the last day of the election cycle shall be reported in detail as to source, recipient, purpose, amount and date of each transaction.

(2) For candidates as defined in RCW 42.17A.005(7), if at any time after the last day of the election cycle, any contribution is received or expenditure is made from such surplus

funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or authorized committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at his or her last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or authorized committee shall file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240 and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds as of the last day of the election cycle may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." "Funds from previous campaign" carried forward by a candidate to his or her new campaign are not subject to contribution limits set forth in RCW 42.17A.405.

(3) A political committee formed to support or oppose a particular ballot proposition or particular candidates which retains surplus funds to use in support or opposition of other candidates or of other ballot propositions has become a continuing political committee and must thereafter register and report in accordance with chapter 42.17A RCW.

- (1) The identical office last sought; or
- (2) A different position or seat of the same office last sought within the same jurisdiction; or

- (b) The amount may not exceed the prorated share attributable to the candidate who transfers the funds;
- (c) The funds are transferred within two business days of the expenditure;

(d) Any transferred funds not used for the joint expenditure are returned no later than one business day after the expenditure is made; and

(e) The purpose of the transferred funds is timely disclosed as would be required for a direct expenditure.

(2) Candidate surplus funds may be transferred without limit to a bona fide political party or to a caucus political committee.

WAC 390-16-310 Limitations on contributions. The limitations on contributions as provided in RCW 42.17A.420, 42.17A.405, and 42.17A.410 shall be as follows:

(1)(a) The limitation on contributions in RCW 42.17A.405 or 42.17A.410 shall not apply to a "candidate" as that term is defined in RCW 42.17A.005 when the candidate is contributing to his or her own campaign using his or her own personal funds as defined in WAC 390-17-305.

[Ch. 390-16 WAC p. 41]

(b) The limitation on contributions in RCW 42.17A.420, 42.17A.405, or 42.17A.410 shall apply to contributions to the candidate from the candidate's spouse, domestic partner or other immediate family members.

(2) Contributions by a husband and wife are considered separate contributions. Contributions by domestic partners are considered separate contributions.

(3) Emancipated minor children (children under 18 years of age) may make contributions which do not exceed the limitations on contributions and the contribution is properly attributed to the emancipated minor child if:

(a) The decision to contribute is made knowingly and voluntarily by the emancipated minor child;

(b) The funds, goods, or services contributed are owned or controlled exclusively by the emancipated minor child, such as income earned by the child, the proceeds of a trust for which the child is the beneficiary, or a savings account opened and maintained exclusively in the child's name; and

(c) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another person.

Contributions by emancipated minor children which do not meet these requirements and contributions by unemancipated minor children shall be considered contributions by the child's parents. Fifty percent of the contributions will be attributed to each parent, or in the case of a single custodial parent, the total amount is attributed to that parent.

(4) Contributions from a business organized as a sole proprietorship and contributions from the owner of the sole proprietorship shall be aggregated for purposes of determining the limitations of contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410.

(5) The limitations on contributions shall apply separately to the contributions made by a partnership, limited liability partnership and limited liability corporation from the contributions made by an individual partner or member. However, contributions made from or charged against the capital account of an individual partner, or member of a limited liability partnership or limited liability corporation shall be aggregated with the partner's or member's individual contributions for purposes of determining the limitations on contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410.

(6) The limitations on contributions in RCW 42.17A.420, 42.17A.405, and 42.17A.410 shall apply separately to the contributions made by an entity (corporation, subsidiary or branch, national union and local unions, collective bargaining organizations and local units, membership organizations and local units and other organizations and their local units) unless the criteria in RCW 42.17A.455 and WAC 390-16-309 are met.

WAC 390-16-313 Independent expenditure—Definition and application. (1) "Independent expenditure," as that term is used in chapter 42.17A RCW, except RCW 42.17A.-255, means an "expenditure" as defined in RCW 42.17A.005 that has each of the following elements:

(a) It is made in support of or in opposition to a candidate for public office, except federal elective office or precinct committee officer, by a person who is not (i) a candidate for that office, (ii) an authorized committee of that candidate for that office, (iii) a person who has received the candidate's encouragement or approval to make the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office, or (iv) a person with whom the candidate has collaborated for the purpose of making the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office;

(b) The expenditure pays in whole or in part for any political advertising that either specifically names the candidate supported or opposed, or clearly and beyond any doubt identifies the candidate without using the candidate's name;

(c) The expenditure, alone or in conjunction with another expenditure or other expenditures of the same person in support of or opposition to that candidate, has a value equal to or greater than the amount specified for independent expenditures in WAC 390-05-400. A series of expenditures, each of which is under the applicable amount in WAC 390-05-400, constitutes one independent expenditure if their cumulative value is equal to or greater than the amount specified in WAC 390-05-400; and

(d) The expenditure is not a contribution as defined in RCW 42.17A.005 and clarified by WAC 390-05-210.

(2) **Exempt Activities.** The following activities are not considered independent expenditures for purposes of RCW 42.17A.255, 42.17A.630, or 42.17A.320:

(a) Ordinary home hospitality;

(b) A news item, feature, commentary, or editorial in a regularly scheduled news medium that is of primary interest to the general public, that is in a news medium controlled by

a person whose business is that news medium, and that is not controlled by a candidate or a political committee;

(c) An internal political communication primarily limited to (i) the members of or contributors to a political party organization or political committee, (ii) the officers, management staff or stockholders of a corporation or similar enterprise, or (iii) the members of a labor organization or other membership organization;

(d) Messages in the form of reader boards, banners, or yard or window signs displayed on a person's own property or the property occupied by a person. However, a facility used for such political advertising for which a rental charge is normally made shall be reported as an in-kind contribution at its fair market value and counts towards any applicable contribution limit of the person providing the facility; or

(e) The rendering of personal services of the sort commonly performed by volunteer campaign workers or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid by the worker.

(1) According to RCW 42.17A.200 and 42.17A.135(7), a candidate for election in any political subdivision must report pursuant to chapter 42.17A RCW and Title 390 WAC if the candidate receives five thousand dollars or more in contributions or expects to receive five thousand dollars or more in contributions during an election cycle.

(2) It is presumed the candidate "expects to receive" five thousand dollars or more when any one of the following first occurs:

(a) The candidate or candidate's authorized committee receives at least five thousand dollars in aggregate contributions, including contributions from the candidate;

(b) The candidate is seeking the same office last sought, the candidate's election is in the current calendar year, and his or her campaign contributions in the previous election for the same office were five thousand dollars or more in the aggregate;

(c) The contributions received on or before March 31 of the election year total one thousand two hundred fifty dollars or more;

(d) The contributions received on or before June 30 of the election year total two thousand five hundred dollars or more;

(e) The contributions received on or before September 30 of the election year total three thousand seven hundred fifty dollars or more; or

(f) The candidate otherwise anticipates that five thousand dollars or more will be received during the election cycle.

(3) Surplus funds carried over from a candidate's previous campaign are not contributions to the candidate's new campaign and do not count toward the five thousand dollar reporting threshold.

(4) A candidate or candidate's authorized committee that receives, or expects to receive, five thousand dollars or more shall:

(a) Within two weeks of the date the reporting obligation begins under subsection (1) or (2) of this section, file:

(i) A candidate registration, PDC form C1;

(ii) A personal financial affairs statement, PDC form F1 and, if relevant, the F1 Supplement; and
