WAC 246-811-048 Supervision requirements. (1) All of the experience required for CDP certification must be under an approved supervisor as defined in WAC 246-811-049.

(2) ACDPT or an individual credentialed according to WAC 246-811-076 may provide chemical dependency assessment, counseling, and case management to patients consistent with his or her education, training, and experience as documented by the approved supervisor.

(a) The first fifty hours of any face-to-face patient contact must be under direct supervision and within sight and hearing of an approved supervisor or a chemical dependency professional designated by the approved supervisor.

(b) An approved supervisor or the approved supervisor's designated certified chemical dependency professional must provide direct supervision when a supervisee is providing clinical services to patients until the approved supervisor documents in the employee file that the supervisee has obtained the necessary education, training, and experience.

(3) Approved supervisors must attest to the department that the supervisee has demonstrated competency in the areas listed in WAC 246-811-047(2) on forms provided by the department.

[Statutory Authority: RCW 18.205.100 and 18.205.060. WSR 16-14-052, § 246-811-048, filed 6/29/16, effective 7/30/16. Statutory Authority: Chapter 18.205 RCW. WSR 09-14-111, § 246-811-048, filed 6/30/09, effective 7/1/09. Statutory Authority: RCW 18.205.060(1). WSR 99-13-084, § 246-811-048, filed 6/14/99, effective 7/15/99.]

WAC 246-811-049 Approved supervisors. (1) Except as provided in subsection (8) of this section, an approved supervisor is a certified CDP or a person who meets or exceeds the requirements of a certified CDP in the state of Washington, and who would be eligible to take the examination required for certification.

(2) Except as provided in subsection (9) of this section, an approved supervisor must have at least four thousand hours of experience in a state approved chemical dependency treatment agency in addition to the supervised experience hours required to become a CDP.

(3) Except as provided in subsection (9) of this section, an approved supervisor may substitute twenty-eight clock hours of recognized supervisory training for one thousand hours of experience.

(4) An approved supervisor is not a blood or legal relative, significant other, cohabitant of the supervisee, or someone who has acted as the supervisee's primary counselor.

(5) A chemical dependency professional trainee (CDPT) must receive documentation of his or her approved supervisor's qualifications before training begins.

(6) An approved supervisor or other certified CDP must review and sign all CDPT clinical documentation.

(7) An approved supervisor is responsible for all patients assigned to the CDPT they supervise.

(8) An approved supervisor may only provide supervision to an applicant completing the alternative training under WAC 246-811-077 if the approved supervisor holds a current Washington state credential as a CDP and meets all other requirements under this section.

(9) A CDP credentialed according to WAC 246-811-077 may meet the requirements to be an approved supervisor under subsections (2) and (3) of this section by:

(a) Completing fifteen hundred hours of experience in a state approved chemical dependency treatment agency. These hours are in addition to the supervised experience hours required to become a CDP;

(b) Completing twenty-eight clock hours of supervisory training provided by an industry-recognized local, state, national, or international organization or institution of higher learning as defined in WAC 246-811-200(5); and

(c) Completing thirty-six hours of education specific to:

- (i) Counselor development;
- (ii) Professional and ethical standards;
- (iii) Program development and quality assurance;
- (iv) Performance evaluation;
- (v) Administration;
- (vi) Treatment knowledge; and
- (vii) Washington state law regarding substance use disorder treatment.

WAC 246-811-280 Suicide assessment training standards. (1) A CDP must complete a training in suicide assessment, including screening and referral. The training must be provided by a single provider and must be at least three hours in length, which may be provided in one or more sessions.

(a) Until July 1, 2017, the training must be approved by the American Foundation for Suicide Prevention; the Suicide Prevention Resource Center; an industry-recognized organization or an institution of higher learning listed in WAC 246-

811-200; or an association which approves training programs based on observation and experiment or best available practices.

(b) Beginning July 1, 2017, the training must be on the department's model list for training programs in suicide assessment, treatment and management. The model list is developed in accordance with rules adopted by the department that establish minimum standards for training programs. The establishment of the model list does not affect the validity of training completed prior to July 1, 2017.

(2) A certified chemical dependency professional who is a state or local government employee is exempt from the requirements of this section if he or she receives a total of at least three hours of training in suicide assessment, including screening and referral from his or her employer every six years. For purposes of this subsection, the training may be provided in one three-hour block or may be spread among shorter training sessions at the employer's discretion.

(3) A certified chemical dependency professional who is an employee of a community mental health agency licensed under chapter 71.24 RCW or a chemical dependency program certified under chapter 70.96A RCW is exempt from the requirements of this section if he or she receives a total of at least three hours of training in suicide assessment, including screening and referral from his or her employer every six years.
