

WAC 16-142-130 Can products be sold after the pull date? Yes, products can be sold after the pull date has expired if they are still wholesome, not a danger to health and clearly labeled indicating that the pull date has expired. They must be separated from products that are still within pull date.

[Statutory Authority: RCW 69.04.915. WSR 99-13-048, § 16-142-130, filed 6/9/99, effective 7/10/99.]
