

WAC 16-236-090 Coordination of combined state-federal action.

When the department considers actions which also involve federal actions, it shall coordinate the two governmental processes so that only one EIS, or other environmental document, need be prepared for that proposal.

[Statutory Authority: Chapter 43.21C RCW. WSR 84-24-033 (Order 1843), § 16-236-090, filed 11/30/84.]
