

WAC 132M-125-020 Statement of jurisdiction. (1) The student conduct code shall apply to student conduct that occurs:

- (a) In or on college facilities;
- (b) At or in connection with college sponsored activities; or
- (c) Off-campus conduct that in the judgment of the college adversely affects the college community or the pursuit of its objectives.

(2) Jurisdiction extends to, but is not limited to, locations in which students are engaged in official college activities including, but not limited to, foreign or domestic travel, activities funded by the associated students, athletic events, training internships, cooperative and distance education, online education, practicums, supervised work experiences or any other college-sanctioned social or club activities. Students are responsible for their conduct from the time of application for admission through the actual receipt of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. These standards shall apply to a student's conduct even if the student withdraws from college while a disciplinary matter is pending.

(3) In addition to initiating discipline proceeding for violation of the student conduct code, the college may refer any violations of federal, state, or local laws to civil and criminal authorities for disposition. The college may proceed with student disciplinary proceedings regardless of whether the underlying conduct is subject to civil proceedings or criminal prosecution.
