

WAC 173-180-405 Class 1 facility—Operations manual. (1) Each facility must keep the operations manual in an immediately accessible location.

(2) Facilities must ensure that all employees involved in oil transfer operations, or storage operations, are familiar with the operations manual provisions through regular and new employee training.

[Statutory Authority: RCW 88.46.160, 88.46.165, and chapter 90.56 RCW. WSR 06-20-034 (Order 06-02), § 173-180-405, filed 9/25/06, effective 10/26/06.]
