

WAC 200-200-186 Parking time limits in metered areas. On normal working days between 7:00 a.m. and 5:00 p.m., no person or entity shall park any vehicle on the state capitol grounds or in any area designated as metered parking for a consecutive period of time longer than that period of time for which parking is permitted in such areas, irrespective of the amount of time for which parking has been paid. Vehicles moved from one parking space to another or from one lot to another shall be assumed to have been parked continuously from the time they are initially parked in any metered area. A showing that the time period between when a vehicle is twice found parked in any metered area(s) on the same day is more than the time allowed for parking in metered areas shall constitute a prima facie presumption that the vehicle has been parked in violation of this section.
