

WAC 230-10-050 Electronically generated bingo cards—Additional requirements. (1) "Electronically generated bingo cards" means bingo cards for which a licensed manufacturer has predetermined the numbers and the sequence of arrangement and stored them electronically for computer access. Electronically generated bingo cards must:

(a) Meet the requirements for bingo cards; and

(b) Be printed by the licensed bingo operator, during the bingo session on a printer interfaced with the computer; and

(c) If printed before the time of sale, be sold consecutively at each individual sales point, beginning with the lowest card, sheet, or transaction number; and

(d) Have a master verification system that provides a facsimile of each card. The master verification system must display the exact numbers and the location or configuration of numbers on the card.

(2) The bingo licensee must keep cards or sheets of cards not issued consecutively during a session as a part of their daily bingo records.
