

WAC 296-62-07633 Observation of monitoring. (1) Employee observation. The employer must provide affected employees, or their designated representatives, an opportunity to observe the measuring or monitoring of employee exposure to MDA conducted pursuant to WAC 296-62-07609.

(2) Observation procedures. When observation of the measuring or monitoring of employee exposure to MDA requires entry into areas where the use of protective clothing and equipment or respirators is required, the employer must provide the observer with personal protective clothing and equipment or respirators required to be worn by employees working in the area, ensure the use of such clothing and equipment or respirators, and require the observer to comply with all other applicable safety and health procedures.
