Inactive status means that you are not currently working in the plumbing trade and you are not required to pay the certificate renewal fee or required continuing education.

(2) To be reinstated from inactive status, you must meet these requirements:
(a) If you have been in inactive status for less than five years, you may return to active status, without reexamination, by paying the reinstatement fee shown in WAC 296-400A-045 and meet continuing education requirements for your certification.

(i) Journey level and residential specialty plumbers are required to meet a minimum of sixteen hours continuing education with a minimum of eight hours of plumbing code and a minimum of four hours being in electrical training before being reinstated. The remaining four hours can be from any of the approved categories.

(ii) Domestic pump plumbers are required to complete twenty-four hours, with a minimum of twelve hours of plumbing classes before being reinstated.
