

WAC 326-20-170 Decision. The office shall notify the applicant business of its decision to grant or deny certification promptly after the decision has been made. The decision shall indicate whether the certification is for the state program, a federal program or both. Where the office has denied the application, the decision shall set forth the bases for denial. Where the office has denied certification because the business did not meet one or more of the eligibility criteria, this shall not preclude the office from later denying the application on additional bases after further review.
