WAC 352-70-010 What is the state boating accident reporting program? The state boating accident reporting program sets out the procedures, established under RCW 79A.60.200, boat operators must use to report pertinent boating accident information to the law enforcement agency having jurisdiction where an accident occurs. Through this program, all reports of boating accidents are forwarded to the Washington state parks and recreation commission for the confidential use of government agencies for analysis and development of accident prevention programs or as otherwise permitted by RCW 79A.60.210. The state boating accident reporting program is consistent with the regulations administered by the United States Coast Guard.

WAC 352-70-020 What words and phrases are used in the state boating accident reporting program? Unless the context clearly indicates otherwise, the definitions in this section apply throughout this chapter.

(1) "Commission" means the Washington state parks and recreation commission.

(2) "Operator" means an individual who steers, directs, or otherwise has control of a vessel that is underway or exercises actual authority to control the person at the helm.

(3) "Owner" means a person who has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest.

(4) "Use" means operate, navigate, or employ.

(5) "Vessel" means every watercraft used or capable of being used as a means of transportation on the water, other than a seaplane. However, it does not include inner tubes, air mattresses, and small rafts or flotation devices or toys customarily used by swimmers.

(6) "Waters of Washington state" means any waters within the territorial limits of Washington state.
