

WAC 365-230-030 Accreditation required. (1) No firm, individual or other entity shall provide, offer, or claim to provide a department-accredited lead-based paint training course without applying for and receiving accreditation from the department as required by these rules.

(2) A training provider may be accredited for the initial inspector, risk assessor, renovator, dust sampling technician, abatement worker, supervisor, and project designer training courses or for refresher training courses within the same disciplines.

(3) Only accredited training providers are eligible to offer initial and refresher lead-based paint training courses.

(4) To qualify for and maintain accreditation, a training provider shall:

(a) Propose and offer at least one accredited lead-based paint training course.

(b) Conform to personnel, operational and curriculum requirements.

(c) Comply with accreditation application and procedural requirements.
