

**WAC 392-139-115 Definition—Basic education allocation.** As used in this chapter, "basic education allocation" means the amount of state moneys calculated by the superintendent of public instruction which is the basis for the superintendent's distribution of moneys to school districts for the operation of a basic program of education pursuant to RCW 28A.150.200, et seq., RCW 28A.150.250, and 28A.150.260, chapter 392-121 WAC, and the Biennial Operating Appropriations Act. The amount of a school district's total guaranteed entitlement, plus skills center summer program funding, plus the hold harmless allocation, less the ALE program revenue reduction, as reported on the August Report 1191 before any proration due to less than one hundred percent funding is considered a school district's basic education allocation in determining the school district's excess levy base pursuant to WAC 392-139-310.
