

WAC 392-139-340 Determination of excess levy authority transfers from high school districts to nonhigh school districts. The superintendent of public instruction shall determine the amount of excess levy authority transfers for the next calendar year from high school districts to nonhigh school districts as provided in this section. For students residing in a nonhigh school district but enrolled in a high school district pursuant to chapter 28A.545 RCW and chapter 392-132 WAC, the high school district's excess levy authority shall be reduced and the nonhigh school district's excess levy authority shall be increased by the same amount. The amount of the excess levy authority transfer shall equal the estimated excess levy authority transfer for the current school year calculated pursuant to subsection (1) of this section adjusted by the amount of the nonhigh billing adjustment for the prior school year calculated pursuant to subsection (2) of this section.

(1) The estimated excess levy authority transfer for the current school year is determined as follows:

(a) Calculate the high school district's excess levy authority for the next calendar year after adjustment for levy reduction funding but prior to adjustments for transfers of excess levy authority pursuant to this section and WAC 392-139-330;

(b) Divide the result by the estimated total AAFTE students enrolled in the high school district in the current school year as reported to the superintendent of public instruction on form P-213; and

(c) Multiply the result by the estimated AAFTE students residing in the nonhigh school district and enrolled in the high school district for the current school year pursuant to chapter 28A.545 RCW as reported on form P-213.

(2) The amount of the nonhigh billing adjustment for the prior school year is determined as follows:

(a) Determine the high school district's certified excess levy for the current calendar year;

(b) Divide the result by the high school district's AAFTE resident enrollment for the prior school year determined pursuant to WAC 392-139-235 using AAFTE student enrollments reported on the August Report 1191 and forms P-213 and P-223; and

(c) Multiply the result by the number of AAFTE students determined as follows:

(i) Determine the actual AAFTE students residing in the nonhigh school district and enrolled in the high school district in the prior school year pursuant to chapter 28A.545 RCW as reported in the current calendar year on form P-213; and

(ii) Subtract the estimated AAFTE students from the nonhigh school district enrolled in the high school district in the prior school year pursuant to chapter 28A.545 RCW as reported on form P-213 for the prior calendar year.
