

WAC 16-301-240 Phytosanitary field inspection requirements for other seed crops and diseases. (1) Phytosanitary certificates may be issued covering other seed crops and other diseases not listed in sections WAC 16-301-215 through 16-301-235 depending upon occurrence, symptoms, and hosts. Inspection procedures and requirements for issuing phytosanitary certificates are determined after consultation with area specialists.

(a) To be eligible for phytosanitary field inspection, a person must submit an application to allow adequate time to develop procedures and requirements.

(b) Only one field inspection will be provided unless it is determined that it is necessary to make inspections at different times during the growing season to detect symptoms of the disease in question.
