

**WAC 16-306-170 Hemp noncompliance for THC concentration. (1) (a)**

If a licensee's hemp tests higher than the acceptable hemp THC level, the licensee may be subject to suspension or revocation of their license. The lot must be destroyed or disposed of in a manner approved by the department. If determined to be appropriate, the department may give notice of noncompliance to appropriate law enforcement agencies and the Washington state liquor and cannabis board, with a summary of the actions taken to destroy the noncompliant hemp.

(b) Producers must document the destruction or disposal of all noncompliant hemp. This documentation must be submitted to the department following the completion of the destruction or disposal process.

(2) If a licensee's hemp tests higher than 0.3 percent but less than 0.5 percent THC concentration, the licensee may either request a THC retest within thirty days or resampling of the same lot, at their own expense.

(3) If at any time a licensee's hemp tests higher than the acceptable hemp THC level, the licensee may be subject to revocation or suspension of their license.
