

**WAC 110-145-1500 What first-aid and cardiopulmonary resuscitation (CPR) training is required?** (1) You or any of your staff who provide supervision or direct care to children, must have basic standard first aid and age-appropriate cardiopulmonary resuscitation (CPR) training.

(a) The CPR training is not required for staff/volunteers with a statement from their physician that the training is not advised for medical reasons as long as another on-site staff person meets this training requirement.

(b) Training must be department-approved and be accredited according to nationally recognized standards.
