

**WAC 132H-140-020 Statement of purpose.** Bellevue Community College District VIII is an educational institution provided and maintained by the people of the state of Washington. The college reserves its facilities, buildings and grounds for those activities that are related to its broad educational mission. At other times, the college facilities may be made available to other individuals and organizations.

The purpose of these regulations is to establish procedures and reasonable controls for the use of college facilities for noncollege groups and for college groups where applicable.

In keeping with this general purpose, and consistent with RCW 28B.50.140(7) and 28B.50.140(9), facilities should be available for a variety of uses which are of benefit to the general public if such general uses substantially relate to and do not interfere with the mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, or public service programs.

Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by both organizations and individuals must be made through campus operations.
