

WAC 136-28-040 Action on accident reporting compliance by the county road administration board. By December 31, 2010, at least ninety percent of the CLCFs made available to the county engineer prior to January 1, 2010, shall be completed and transmitted to WSDOT.

Beginning January 1, 2010, the county engineer shall complete and return to WSDOT at least ninety percent of all CLCFs for the current calendar year by December 31st of that year. The county road administration board will advise each county engineer of the status of the CLCF actions as of September 30th and December 31st of each year. Failure to comply may be cause for issuance of a conditional certificate of good practice by the board as specified in WAC 136-04-060 on behalf of the county in which the violation occurred. The first condition of such a conditional certificate of good practice shall be that the county be required, at the next regular or special meeting of the county road administration board, to show cause why a certificate of good practice should not be denied to that county.
