

**WAC 173-182-800 Primary response contractor (PRC) application.**

- (1) To become a state-approved PRC, a response contractor must:
  - (a) Submit an application as set forth in WAC 173-182-810;
  - (b) Have a process to provide twenty-four hour/day contact for spill response;
  - (c) Commit to begin mobilization efforts immediately upon notification but no later than one hour from notification of a spill;
  - (d) Maintain equipment in accordance with manufacturer specifications;
  - (e) Identify and train staff and supervisors expected to be deployed on oil spill response tactics or used to meet plan holder planning standards;
  - (f) Assist plan holders in meeting the requirements for plans and drills in Washington; and
  - (g) List response equipment on the Worldwide Response Resource List currently located at [www.wrml.world](http://www.wrml.world), or provide an equivalent electronic equipment list and commit to maintaining the equipment list in whatever format is provided.
- (2) To apply, a contractor should complete, sign and submit the application form number ECY 070-216.
