

WAC 173-423-130 Surveillance. (1) The department of ecology may inspect new and used motor vehicles and related records for the purposes of determining compliance with the requirements of this chapter. Department of ecology inspections shall occur during regular business hours and on any premises owned, operated or used by any dealer or rental car agency.

(2) For the purposes of determining compliance with this chapter, the department of ecology may require any vehicle dealer or rental car agency to submit any documentation the department of ecology deems necessary to the effective administration and enforcement of this chapter. This provision does not require creation of new records.
