

WAC 173-700-301 Service area. (1) The department must determine the appropriate service area for proposed banks.

(2) The sponsor must provide a detailed text description and a map of the bank's proposed service area in the instrument.

(3) The maximum extent of a service area shall be the WRIA in which the bank is located, except when inclusion of portions of adjacent WRIAs is ecologically appropriate and defensible.

[Statutory Authority: Chapter 90.84 RCW. WSR 09-19-013 (Order 04-13), § 173-700-301, filed 9/3/09, effective 10/4/09.]
