

WAC 194-22-060 Curtailment administration—Suggested curtailment actions. Utilities will provide their consumers with curtailment information about actions they can take to reduce their electric energy consumption. The state and utilities will work together to develop this material. The recommendations will be based on the actions described in the regional curtailment plan for electric energy, Appendix C, "Curtailment Measures." Utilities are responsible for tailoring curtailment information to their service areas, adding utility-specific information, printing the material in an appropriate form, and disseminating it to their consumers.
