

WAC 200-250-020 Definitions. (1) "Department" means the department of enterprise services.

(2) "Director" means the director of the department of enterprise services or his or her designee.

(3) "National airspace system" means is the airspace, navigation facilities and airports of the United States.

(4) "State capitol campus" means those grounds owned by the state and otherwise designated as the state capitol campus by the state capitol committee.

(5) "Unmanned aircraft" means a system or device that is used or intended to be used for flight in the air without the possibility of direct human intervention from within or on the device, and the associated operational elements and components that are required for the pilot or system operator in command to operate or control the device (such as cameras, sensors, communication links).

This term includes all types of systems or devices that meet this definition that are used for any purpose or activity, including but not limited to governmental, private, recreational, or commercial uses. Some examples of unmanned aircraft are model airplanes, quadcopters, and drones.
