SUBMISSION OF PROPOSED FREIGHT MOBILITY PROJECTS TO BOARD (FMSIB)

Last Update: 4/3/02

WAC

226-12-010	Designation of lead agency.
226-12-040	Applications for freight mobility projects.
226-12-080	Priority criteria for freight mobility projects.

WAC 226-12-010 Designation of lead agency. The agencies involved in a multiagency project shall designate one agency as the lead agency. The lead agency must be a city, town, county, port or the Washington state department of transportation.

[Statutory Authority: Chapter 47.06A RCW. WSR 99-18-048, § 226-12-010, filed 8/27/99, effective 9/27/99.]

WAC 226-12-040 Applications for freight mobility projects. When requested by the board, applications for proposed projects shall be submitted to the board by public entities seeking allocation of funds from the FMSIB. The application form will be provided by the board.

[Statutory Authority: Chapter 47.06A RCW. WSR 99-18-048, § 226-12-040, filed 8/27/99, effective 9/27/99.]

WAC 226-12-080 Priority criteria for freight mobility projects. The board shall use a multicriteria analysis and scoring framework, which may be periodically refined, for evaluating and ranking eligible freight mobility and freight mitigation projects. The prioritization process shall measure the degree to which projects address important program objectives and shall generate a project score that reflects a project's priority compared to other projects. The board shall assign scoring points to each criterion that indicate the relative importance of the criterion in the overall determination of project priority.
