

WAC 246-170-021 Responsibility of local health officers. Each county, city-county and district health officer is responsible for the control of tuberculosis within a jurisdiction. Each health officer shall act as or shall designate a physician to act as tuberculosis control officer. This individual shall coordinate all aspects of the prevention, treatment, and control program.

[Statutory Authority: ESB 6158 and chapter 70.28 RCW. WSR 95-04-035, § 246-170-021, filed 1/24/95, effective 1/24/95.]
