

WAC 296-17A-5206 Classification 5206.

5206-78 Permanent yard or shop operations; logging or log hauling contractor

Applies to a permanent yard or shop of logging or log hauling contractors. This classification is limited to contractor yards and shops which are maintained exclusively for the storage of materials and maintenance of equipment used in their logging and/or log hauling business. This classification does not contemplate any manufacturing operations. Only employees of a logging or log hauling contractor who are assigned to the shop or yard are to be reported in this classification. This classification is further restricted in that employees reported in classification 5206-78 cannot have any other duties other than those related to the storage of materials and/or the maintenance of equipment during their work shift or work day. Any employee having any other duties during their assigned work shift or day are to be reported separately in the applicable logging or log hauling classification.

Special note: Under no circumstances can this be the only classification assigned to an employer.

5206-79 Permanent yard or shop operations; Construction or erection contractor

Applies to a permanent yard or shop of construction or erection contractors. This classification is limited to contractor yards and shops which are maintained exclusively for the storage of materials and maintenance of equipment used in their construction business. This classification does not contemplate any manufacturing operations. For example, a contractor engaged in cabinet manufacturing and installation is to report the shop and yard operation in classification 2907 and is not entitled to classification 5206. Only employees of a construction or erection contractor who are assigned to the shop or yard are to be reported in this classification. This classification is further restricted in that employees reported in classification 5206-79 cannot have any duties other than those related to the storage of materials and/or the maintenance of equipment during their work shift or work day. Any employee having any other duties during their assigned work shift or day are to be reported separately in the applicable construction classification.

Special note: Under no circumstances can this be the only classification assigned to an employer.

5206-80 Permanent yard or shop operations; interstate and/or intra-state trucking

Applies to a permanent yard or shop of interstate and/or intra-state trucking establishments. This classification is limited to yards and shops which are maintained exclusively for the storage or maintenance of transportation equipment or related equipment used in their trucking operation. This classification does not contemplate any driving duties, or the handling or storage of freight. Only employees of a trucking operation who are assigned to the shop or yard are to be reported in this classification. This classification is further restricted in that employees reported in classification 5206-80 cannot have any other duties other than those related to the storage or maintenance of equipment during their work shift or work day. Any employee having any other duties during their assigned work shift or day are to be reported separately in the applicable trucking classification.

Special note: Under no circumstances can this be the only classification assigned to an employer. And, this classification is not to be assigned to any business assigned classification 1101 for delivery services.
