

WAC 296-17A-6107 Classification 6107.

6107-01 Veterinary hospitals or clinics

Applies to establishments of state licensed practitioners engaged in the practice of veterinary medicine, dentistry, or surgery. Veterinarians provide routine checkups, vaccinations, administer drugs and medicines, euthanasia and autopsies; some specialize in areas such as animal dermatology or animal behaviors. Usually veterinary services are performed on an outpatient basis, although animals may be kept on the premises for one or more days for observation or treatment. Veterinarians who specialize in the treatment of larger animals such as cows or horses frequently provide their services off premises rather than in their own facilities. This classification includes clerical office and sales personnel.

This classification excludes animal boarding kennels, animal shelters and/or pet grooming parlors which are to be reported separately in classification 7308.
