

WAC 314-20-017 Brewery and microbrewery retail liquor licenses—Selling kegs and containers. A brewery or microbrewery licensed under RCW 66.24.240 or 66.24.244 may hold up to two retail liquor licenses to operate a spirits, beer, and wine restaurant, a tavern, a beer and/or wine restaurant, or any combination thereof.

(1) Definitions. For the purposes of this section, a "container" is a sealable receptacle, such as a carton, jug, growler or keg, and has no minimum holding requirement. A "keg" is a container holding four gallons or more beer.

(2) Applicable to retail licenses for spirits, beer, and wine restaurants, beer and/or wine restaurants, and taverns.

(a) A retail license is separate from a brewery or microbrewery license.

(b) All containers of beer must be sold from the retail premises.

(c) A retail location may be located on or off the brewery or microbrewery premises.

(3) A brewery-operated or microbrewery-operated spirits, beer, and wine restaurant may sell containers of beer of its own production and cider as defined in RCW 66.24.210(6) without a kegs-to-go endorsement provided that it sells this beer and cider for off-premises consumption only. A brewery or microbrewery may supply the container or use a container brought to the premises by a customer, and filled at the tap at the time of sale.

(4) A brewery-operated or microbrewery-operated spirits, beer, and wine restaurant may sell kegs of malt liquor of another brewery's or microbrewery's production provided that it:

(a) Sells this malt liquor for off-premises consumption only;

(b) Has a kegs-to-go endorsement; and

(c) Supplies the kegs.

(5) A tavern or beer and/or wine restaurant that is operated by a brewery or microbrewery and has an off-premises beer and wine retailer's privilege may:

(a) Sell kegs of malt liquor for off-premises consumption. The malt liquor may be of the licensee's own production or the production of another brewery or microbrewery;

(b) Sell containers of beer for off-premises consumption provided that the customer supplies the container. The beer may be of the licensee's own production or the production of another brewery or microbrewery; and

(c) Sell containers of cider as defined in RCW 66.24.210(6) for off-premises consumption in a sanitary container brought to the premises by the customer or provided by the licensee and filled at the tap at the time of sale, provided the licensee has a license to sell wine. The licensee must comply with federal regulations.
