

WAC 326-08-030 Amendments apply to pending cases. An amendment to this chapter applies to cases pending at the time of the adoption of the amendment, unless the amendment or rule-making order says that it does not apply to pending cases. An amendment to this chapter does not require that anything already done be redone to comply with the amendment unless the amendment expressly says so.

[Statutory Authority: Chapter 39.19 RCW. WSR 84-09-002 (Order 84-5), § 326-08-030, filed 4/5/84.]
