

WAC 388-97-3020 Storage of resident room equipment in a new building or addition. The nursing home must provide separate storage for extra pillows and blankets for each bed. This may be in a location convenient to the resident room or combined with the wardrobe or closet if it does not impinge upon the required space for clothing.

[Statutory Authority: Chapters 18.51 and 74.42 RCW and 42 C.F.R. 489.52. WSR 08-20-062, § 388-97-3020, filed 9/24/08, effective 11/1/08.]
