

WAC 388-101D-0670 When must a group training home employee complete a two-step tuberculin test? A group training home employee must complete a two-step tuberculosis skin test if the employee:

- (1) Has never had a tuberculosis skin test;
- (2) Cannot demonstrate proof of a previous negative two-step skin test; or
- (3) Completed a one-step skin test more than twelve months ago.
