

WAC 392-117-038 Failure to meet CEDARS submission requirements.

School districts, charter schools, tribal schools, and other local education agencies receiving state funds who fail to meet CEDARS reporting requirements as outlined in the annual CEDARS data manual are subject to the following course of action. Upon the superintendent of public instruction's determination that a local education agency has failed to meet CEDARS reporting requirements, the superintendent will provide notice of the determination to the local education agency. The local education agency will have ninety days from the receipt of the notice to correctly report CEDARS data. If the local education agency's failure to meet CEDARS reporting requirements is not corrected within forty-five days of the superintendent's first notice, the superintendent will provide a second notice to the local education agency. The second notice will describe the superintendent's determination and will identify the deadline for corrective action. If the local education agency does not correctly report CEDARS data within ninety days of its receipt of the superintendent's first notice, the superintendent may withhold the local education agency's subsequent monthly apportionment payment until CEDARS reporting requirements are met.
