

WAC 392-172A-06020 Exception to maintenance of effort. A school district or other public agency may reduce the level of expenditures made by it under Part B of the IDEA below the level of those expenditures for the preceding fiscal year if the reduction is attributable to:

(2) A decrease in the enrollment of students eligible for special education;

(3) The termination of the obligation of the district or agency, consistent with this chapter, to provide a program of special education to a particular student that is an exceptionally costly program as determined by the state, because the student:

(a) Has left the jurisdiction of the district or agency;

(b) Has reached the age at which the obligation of the district or agency to provide a free appropriate public education to the student has terminated; or

(c) No longer needs the program of special education.

(4) The termination of costly expenditures for long-term purchases such as the acquisition of equipment or the construction of school facilities.

(5) The assumption of costs by the high needs safety net fund operated by the OSPI.
