

WAC 456-11-015 Record evidence. The board may decline to review the record of a county board of equalization that is unduly large or disorganized, including a record that is not sufficiently numbered to allow for identification.

The board may issue an order requiring a party relying on evidence in a BOE record to resubmit that evidence numbered in a specific format.

[Statutory Authority: RCW 82.03.170. WSR 20-07-087, § 456-11-015, filed 3/16/20, effective 4/16/20.]
