

WAC 480-70-176 Certificates, discontinuance of operations. (1)

A company must not discontinue operations authorized under its certificate without prior approval from the commission.

(2) A company requesting commission approval to discontinue operations must give at least ten days' written notice to its customers, officials of cities and counties where affected customers reside, and the commission.

(3) A request for approval to discontinue operations must contain at least the following:

(a) The name, telephone number, mailing address, telefacsimile number (if any) and email address (if any) of a contact person;

(b) An explanation of the company's reasons for requesting approval to discontinue operations;

(c) A statement of the number of customers, by class of service provided, who will lose service if the commission grants the requested approval to discontinue operations; and

(d) An explanation of options available to the customers who will lose service. For example: Names of landfills and/or transfer stations to which the customer may self-haul or the names of companies with overlapping certificates.
