

WAC 504-19-600 Parking for individuals with disabilities. (1)

The provisions of this chapter cover disability parking and the payment of fees and fines associated with parking for individuals with disabilities.

(2) For the purpose of this chapter, individuals with disabilities shall refer to individuals with disabilities who qualify for a state-issued individual with disabilities parking identification and permit as provided in chapter 308-96B WAC. Use of disability accommodation parking at WSUV also requires payment for parking in the form of a WSUV parking permit or receipt of payment.

(3) The university uses the state individual with disabilities parking permit system to determine eligibility for disability parking.

(4) Unless otherwise authorized, parking in spaces designated for individuals with disabilities requires a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment to park on campus. University semester and annual parking permits for individuals with disabilities are available at the gray zone rate. Daily and temporary parking permits are available at the regular rates.

(5) Persons with a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment may park in parking spaces designated for individuals with disabilities and any other, nonrestricted permit space within a parking permit zone.

(6) Persons with a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment may not park in restricted spaces with the exception of individuals with disabilities parking spaces.

(7) Unless otherwise posted, any university parking permit to include a state-issued disability parking placard or license plate is not valid in lieu of payment of regular posted fees in pay parking lots and facilities.

(8) A state-issued individuals with disabilities license plate, placard, or permit is valid in parking zones during times when a university permit is not required.

(9) The university intends to retain control of access to the pedestrian malls on campus. For that reason a state-issued disability parking placard or license plate and a WSUV parking permit or proof of payment is required as authorization to use a pedestrian mall to access marked individuals with disabilities parking spaces within the confines of a pedestrian mall.
