

WAC 110-50-0690 May the department consider foster care payments to the foster family in determining eligibility for public assistance?
When the department or a child placing agency places a child in foster care with a family receiving public assistance under 42 U.S.C. 601, et seq., the department must not consider payment received by the family for the foster child in determining the family's eligibility for public assistance. The department makes payments, including special or exceptional payments, for the child's board, clothing and personal incidentals.
