

WAC 200-01-090 Commercial purposes. No provisions of any rule contained in this title shall be construed as giving authority to any DES officer or employee to give, sell, or provide access to lists of individuals requested for commercial purposes. If a list of individuals is included in the records requested, DES may require requestors to identify themselves and the purpose of their request, and provide a signed statement that the requestor will not use the list of individuals for commercial purposes.

When DES has credible indication that a requested list of individuals might be used for commercial purposes, DES will investigate the request further. DES will determine on a case-by-case basis whether such further investigation is necessary, based on the identity of the requestor, the nature of the records requested, and any other information available to DES. When DES determines further investigation is necessary, DES will require requestors to identify the purpose of their request.
