

**WAC 230-14-070 Displaying flares.** (1) Punch board or pull-tab operators must place flares in plain view and in the vicinity of the pull-tab container or dispenser.

(2) If operators do not attach the flare directly to the container or dispenser, they must include a numerical or alphabetical reference directly on the flare and on the container or dispenser indicating which flare corresponds to which series.

[Statutory Authority: RCW 9.46.070. WSR 07-17-058 (Order 614), § 230-14-070, filed 8/10/07, effective 1/1/08.]
