

**WAC 246-310-833 One-time state border kidney dialysis facility station relocation.**

(1) When an existing owner-operator of a Washington state kidney dialysis facility is also the owner-operator of a kidney dialysis facility in a contiguous Idaho or Oregon county, the department will not consider a facility that combines the Washington facility and the out-of-state facility to be a new health care facility under WAC 246-310-020(1) provided all of the following criteria are satisfied:

(a) The Washington state kidney dialysis facility is located in Asotin, Benton, Clark, Columbia, Cowlitz, Garfield, Klickitat, Pend Oreille, Skamania, Wahkiakum, Walla Walla, or Whitman counties;

(b) The kidney dialysis facility is the sole provider of dialysis services in the Washington state county;

(c) The kidney dialysis facility is the sole provider of dialysis services in the contiguous Idaho or Oregon county;

(d) The replacement kidney dialysis facility will be located in the same county or planning area as the current Washington state facility;

(e) Both existing kidney dialysis facilities cease operation;

(f) There is no break in service between the closure of the existing kidney dialysis facilities and the operation of the replacement facility;

(g) There has been no change in ownership of either the Washington kidney dialysis facility or out-of-state kidney dialysis facility for at least five years prior to applying for the exemption under this section;

(h) Each existing kidney dialysis facility has been operated by the current provider for a minimum of five years prior to applying for the exemption under this section;

(i) Each existing kidney dialysis facility has been operating at its current location for a minimum of five years prior to applying for the exemption under this section;

(j) The department has not granted a previous exemption under the provisions of this section; and

(k) The number of stations at the replacement kidney dialysis facility does not exceed the total of:

(i) All stations from the Washington state kidney dialysis facility; and

(ii) Using the 4.8 patients per station standard, the stations necessary for the number of patients receiving dialysis at the out-of-state kidney dialysis facility as reported on the most recent Northwest Renal Network quarterly modality report.

(2) Once a Washington state provider has requested and received its one-time exemption under the provisions of this section, the kidney dialysis facility's "resident in-center patient" will have the same meaning as all patients at the facility.
