

WAC 388-71-0953 May nurse delegation core and specialized diabetes training occur in the same year as the seventy-hour long-term care worker basic training? Nurse delegation core and specialized diabetes training may be required in the same year as basic training if delegated tasks need to be performed. If completed within one hundred and twenty days of hire, the nurse delegation core and specialized diabetes training hours may be applied towards the population specific component of the seventy-hour long-term care worker basic training.
