

WAC 388-97-0700 Preliminary finding. If, after review of the results of the investigation, the department determines that an individual has abandoned, abused, neglected, or financially exploited a resident, or has misappropriated a resident's property, the department will make a preliminary finding to that effect. However, a preliminary finding of neglect will not be made if the individual demonstrates that the neglect was caused by factors beyond the control of the individual.
