

**WAC 415-104-483 Is my disability benefit affected by choosing a survivor option?** If you choose a benefit option with a survivor feature at the time of retirement, your survivor beneficiary will receive an ongoing monthly disability benefit after your death. Your disability benefit will be actuarially reduced to offset the cost of providing payments over two lifetimes. The survivor options are further described in WAC 415-104-215. See WAC 415-02-380 for more information and examples on how the actuarial reduction is applied to your disability benefit.
