

WAC 434-335-170 Application for certification of modified voting systems or devices. The application to certify a modification of an existing certified system must include, but is not limited to, the following information:

- (1) Description of the applicant;
- (2) Description of the equipment or software under review, the modification, and all version numbers;
- (3) All changes to the operating and maintenance manuals;
- (4) Reports for all tests conducted on the modification by a voting system test laboratory;
- (5) Documentation that the modification meets all applicable federal voting equipment guidelines;
- (6) A complete description, in operational and technical detail, of all differences between the previously certified equipment or system and the modified equipment or system, prepared by the applicant.
