

WAC 516-36-035 University property rental/use fees. (1) The president or the president's designee shall have authority to establish a schedule of fees to govern the use of university property and to alter or modify the fee schedule whenever such action is deemed to be necessary or appropriate or in the best interests of the university. The fee for use of university property shall be sufficient to ensure the recovery by the university of all direct and indirect costs associated with the use of the university property, including all direct and indirect costs of goods or services furnished by the university in connection with the use of the property.

(2) The president or the president's designee may waive all or part of the normal fee for use of a particular university property by persons not affiliated with the university under the following circumstances:

(a) Members of the university community will receive a substantial benefit from the intended use of the university property and no person or group will derive profit from the intended use of the property; or

(b) The group requesting the use of the university's property is a subdivision or agency of the state of Washington; or

(c) The intended use of the property is transient and would not cause a cost to the university.

(3) In the event that the fee for the use of particular university property has not been placed on the fee schedule, and if the university determines to allow the use of the property, the university will assess a fee based upon the full cost, direct and indirect, of using the property.

(4) The president or the president's designee reserves the right to create differential fee schedules for use of university property by university groups and university affiliates.
